Luxury Car Rental & Chauffered Experiences

Welcome to Bali Luxe Concierge

The Art of the *Arrival*

Made for those who seek the extraordinary. A lifestyle built on privacy, exclusivity, and refined sophistication, set against the most beautiful island on earth.

For over seven years, Bali Luxe Concierge has been the foremost lifestyle curator in Indonesia. Our private fleet is an extension of that philosophy: every vehicle chosen for its presence, its comfort, and the statement it makes the moment you arrive. From open-top grand tourers along the Bukit cliffs to chauffeured Alphards gliding between Uluwatu, Ubud, and Canggu, each journey is arranged privately and attended faultlessly.

This collection presents our complete fleet. Coupés and cabriolets, iconic jeeps, refined SUVs, chauffeured sedans, luxury vans, and timeless classics. Each offered with both partner and published rates for complete transparency.
